

Certificate Course in Banking / Diploma Course in Banking

1) Introduction:

In the era of Globalization, high professionalism and intense neck to neck competition, students need to get an opportunity of studying experience oriented professional courses. Our college has been providing such courses since the academic year 2003-04. These courses have been recognized by U.G.C and Shivaji University, Kolhapur. Our courses have been getting tremendous response from the students, as the courses provide ample job opportunities. The results secured by these courses are also high i.e. around 90 to 100%.

Theoretical knowledge needs to be supported by practical knowledge in the global competitive scenario. We send our students to different banks to get a first hand experience of the functioning of banks. On the basis of such practical experience, research projects are undertaken by our students. In this way students acquire the essential knowledge of research and research methodology, statistical and mathematical analysis and computer.

In the last five years, our students have got job opportunities in different fields like banking sector, insurance sector etc through Campus Placements.

Under the able guidance of the expert faculty, students are given demonstrations in the bank for 15 days in two terms. Seminars and visiting lectures are arranged for the students to equip them with the contemporary concepts like E-banking, Home-banking, Family-banking etc.

2) The Course Structure:

The Certificate Course in Banking consists of the following structure: There are in all three papers of 100 marks each.

- Theory of Commercial Banking (Paper I) History & System
- Theory of Commercial Banking (Paper II) Principles & Transactions
- Internal Evaluation

Paper III is of Internal Evaluation having the following division of marks:

- * Practical / Test = 30 Marks
- * Work experience = 30 Marks
- * Project Report = 40 Marks

3) Eligibility:

Students having passed HSC Examination with minimum 45% marks.

4) Fee Structure:

The Fee Structure for both the courses is as follows:-

Tuition Fees Rs.2000/-

Examination Fees Rs.225/-

Students studying in B.Com II / III or students appearing for M.Com are eligible for Diploma Course in Banking.

5) Duration:

The duration for both the Diploma Course and Certificate Course is six months. The students successfully completing the course get certificate of passing from the University. This helps them to explore different job opportunities in the future life.

6) Facilities:

Students are facilitated with separate Library, Computer Lab, Internet etc.

7) Rules & Regulations:

Regular attendance for training, practicals, tests and lectures is compulsory and a diary of every day attendance is kept for regulating consistency of study among the students.

Our courses provide opportunities of excelling the educational qualifications of the students by giving them an opportunity of studying the regular syllabi simultaneously with the Diploma / Certificate Courses, under one roof and in one tenure.
